

Pocket Bar Banquet Options

Big bookings often bring big wait times for food, which is such a fun-killer when you're out with mates. To keep your vibe right and the food tight, for bookings of 10+ people we ditch the normal menu take the hassle out of making decisions with our banquet options.

Here's how it works:

- Choose which Banquet option works for you.
- Return this completed order to our team and pay a 50% deposit, up to 48hrs before your booking.
- Pay remaining 50% on the night.
